LISTING OF DISCLOSURE AMENDMENTS

Please amend paragraphs 11, 13 and 14 of the specification as follows:

Paragraph [11] (Currently Amended)

A | Accordingly, there exists a need for a method and system for providing access to a voice mail box that enables a party to record a message in a service subscriber's voice mail box without first attempting to complete a call to the service subscriber.

X2 Paragraph [13] (Currently Amended)

X2 | It is another object of the invention to provide a method and system for enabling a 'click to voice mail' option from a web page or an electronic mail message to enable a user browsing the Internet to request a call connection to an associated voice mail box without first attempting a call to the subscriber.

X3 Paragraph [14] (Currently Amended)

X3 | A further object of the invention is to provide a method and system for enabling directory service providers to provide direct access to the voice mail boxes of VMS subscribers.
